

How to Access Your Editable Certificate

Step 1: Go to <https://www.clevercertificates.com/etsy-access>

Step 2: Enter your Etsy Order Number, Email Address, and Order Date.

Step 3: If your order is found, you'll receive an Order Code.

Step 4: Open the link format below and replace [your-code] with the code:

[https://www.clevercertificates.com/template-designer/aikido-black-belt-certificate?code=\[your-code\]](https://www.clevercertificates.com/template-designer/aikido-black-belt-certificate?code=[your-code])

Step 5: Paste the completed link into a desktop or laptop browser to start editing.

Note: The Order Code will appear in red text.

Check your email (including spam/junk folders) if you do not see the code immediately.
